In Re: *Petition to Establish Generic Docket to Consider Amendments to
Interconnection Agreements Resulting from Changes of Law*

Docket No. 04-00381

BELLSOUTH TELECOMMUNICATIONS INC.'S
MOTION TO POSTPONE STATUS CONFERENCE

BellSouth Telecommunications, Inc. ("BellSouth") files this Motion to Postpone Status Conference and respectfully shows the Hearing Officer as follows:

Since the last Status Conference, the parties have exchanged correspondence regarding establishment of a region wide schedule in the generic change of law proceedings.

BellSouth has sent a proposed schedule to the CLECs on April 7, 2005. We have been told by the CLECs that they will forward us a proposed schedule in response by this Friday. Until we have the CLECs' response and proposed schedule, as well as time to consider their proposal if it is significantly different than the one we proposed, it is not clear whether there would be any benefit to meeting on Monday. Therefore, BellSouth proposes that the Status Conference be postponed to provide the parties time to consider and discuss the CLEC response to BellSouth's schedule

In the event that the CLECs and BellSouth are able to reach an agreement regarding a regional schedule, the parties will file that agreement. In the event that

the parties have difficulty, any party may, of course, file a motion seeking a status conference.

In the event that a regional schedule is adopted, BellSouth believes that it may be possible to proceed without any further status conferences during the 90-day quiet period, during which the parties will focus on negotiation.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC.
